

## *Society for Chemical Hazard Communication* **Professional Development Training**

### **HazCom Registry Preparation Workshop**

Saturday/Sunday, September 27-28, 2014  
Crystal Gateway Marriott Hotel – Arlington, Virginia

#### **Course Description**

This workshop is designed to assist hazard communication professionals preparing to sit for the AIHA Registry's Competency Assessment for the SDS and Label Authoring Registry. This course will address both the knowledge and skills portions of the assessment by focusing on the eight rubrics defined as the body of knowledge for SDS and label authoring and by incorporating workshop activities for each rubric.

This is not intended to be an introductory course. Rather, participants should have much of the education, training and experience expected by the AIHA Registry. Participants can use this course as a final "tune-up" prior to sitting for the Competency Assessment or as an initial assessment of their knowledge and skills within a comprehensive Assessment preparation strategy.

#### **Course Director**

##### **Robert Skoglund, Ph.D., DABT, CIH**

Dr. Skoglund is a Senior Laboratory Manager at the 3M Company. His primary responsibilities include corporate oversight of material EHS issues including global hazard communication and other applied and regulatory toxicology issues and programs.

#### **Instructors**

##### **Denese A. Deeds, CIH**

Denese Deeds is the Director of Chemical Regulatory Services and co-founder of Industrial Health & Safety Consultants, Inc. In this role she prepares SDS and other hazard communication documents and assists companies with overall chemical regulatory compliance.

## *Society for Chemical Hazard Communication* **Professional Development Training**

### **Doug Eisner, M.S.**

Doug Eisner recently retired with over 40 years of experience in the chemical process industry including technical and leadership roles in the authoring and management of Safety Data Sheets and labels. He continues to Chair the SCHC Arrangements committee and teach environmental science and mathematics as a faculty member of the University of Phoenix.

### **Chandra D. Gioiello, M.S., CIH**

Chandra Deeds Gioiello is a senior consultant with Industrial Health & Safety Consultants, Inc. She assists in the preparation of SDS and other hazard communication documents. She focuses on global regulatory compliance.

### **Catherine F. Jacobson, Ph.D., DABT**

Dr. Jacobson is a Senior Toxicology Specialist at the 3M Company. Her primary responsibilities include assessing the human health hazards and risks of products and other materials for several 3M business units. In addition, she is responsible for authoring of hazard communication documents, tracking emerging material EHS regulations, and developing comprehensive health hazard profiles for substances important to 3M.

### **Robert Roy, Ph.D., DABT**

Dr. Roy is a Lead Toxicology Specialist at 3M in St. Paul, Minnesota. His primary responsibilities include assessing the human health hazards and safety of products and other materials for several 3M business units. In addition he plays a leadership role in 3M Occupational Exposure Guideline development; California Proposition 65 compliance; consumer product labels; and hazard determination, hazard communication, and risk assessment issues.

### **Intended Audience**

Hazard communication professionals preparing to sit for the AIHA Registry's Competency Assessment for the SDS and Label Authoring Registry ([www.aiharegistries.org](http://www.aiharegistries.org)).
