

AIHA/SCHC SDS and Label Authoring Registry Update

Denese A. Deeds, CIH
Industrial Health & Safety Consultants, Inc.

Presenter biography

Denese Deeds is co-founder of Industrial Health & Safety Consultants, Inc (IH&SC) where she is the Director of Chemical Regulatory Services. In that function she prepares SDS, labels and other hazard communication documents and assists companies with overall chemical regulatory compliance. Prior to founding IH&SC she worked as an industrial hygienist for General Electric and Westinghouse. Denese is certified in the Comprehensive Practice of Industrial Hygiene by the ABIH. Denese is co-chair of the SCHC Outreach Committee, a member of AIHA Stewardship and Sustainability Committee and served on the team that developed the SDS and Label Author Registry. She is a Fellow of the American Industrial Hygiene Association (AIHA), a past president of the Society for Chemical Hazard Communication (SCHC), a Registered Specialist SDS and Label Authoring and the 2014 recipient of the AIHA Alice Hamilton Award.

Presentation abstract

Denese will provide an update on the progress of the Registry Program including numbers of registrants, exam experience and plans for the future. She will also highlight how to prepare for the exam.
