

**Advanced Topics in GHS: GHS Labeling Considerations for Small Containers and  
Special Packaging in the U.S., EU and China**

Yunbo Shi, Managing Director and Principal Consultant  
Chemical Inspection and Regulation Service Ltd

*Presenter biography*

Mr. Yunbo Shi is currently the managing director and principal consultant of CIRS, a chemical regulatory firm providing chemical compliance services for companies doing businesses in and with the EU and China.

He has extensive knowledge of Chinese and EU chemical legislation and a deep understanding of the latest requirements of classification, labeling and SDSs in China and the EU. He has been tracking, interpreting and helping companies prepare for the evolution of existing regulations and the emergence of new ones in China and Taiwan for five years.

Mr. Shi earned a B.S. in Chemistry from the University of Science and Technology of China (USTC) and a Master's Degree in Chemistry from the University of Maryland, College Park.

*Presentation abstract*

This presentation will focus on GHS labeling considerations for small containers and special packaging in the U.S., EU and China. The legal requirements will be analyzed and compared. Proposed solutions and practical case studies will also be given.
