

Society for Chemical Hazard Communication
Professional Development Training

European Hazard Communication

Saturday, September 20, 2025
Grand Hyatt Washington – Washington, DC

Course Description

This course will outline the key requirements of the EU and GB CLP Regulations and highlight the differences with the US HazCom Regulation. Practical exercises will be held throughout the course to reinforce the learning.

Intended Audience

It is assumed that delegates will have a working understanding of the GHS including classification, labelling and safety data sheet requirements in the U.S.

Course Fee:	\$500 / members	\$640 / non-members

Course Director and Instructor

Gill Pagliuca

Gill Pagliuca is a highly respected leader with over 30 years of experience in chemical regulation. She brings deep expertise in Classification & Labelling, and the safe transport of hazardous materials across Europe, the UK, and globally. Gill's extensive knowledge of REACH, CLP, and GHS regulations enables her to guide organizations through regulatory challenges, ensuring compliance and safety at every step.

Gill's commitment to clear, actionable regulatory frameworks, paired with her engaging, hands-on approach, makes her a vital resource for companies focused on chemical safety and compliance excellence. As the former chair of the UK Chemical Hazards Communication Society (CHCS), she remains a key figure in the field, actively contributing to regulatory discussions and initiatives.

An inspiring trainer and speaker, Gill motivates professionals to adopt a culture of safety and sustainability. She regularly delivers training for various organizations and creates tailored solutions to meet specific business needs.

Course Topics and Agenda (Subject to Change)

7:00 to 8:00am Registration and Continental Breakfast

Morning Session
8:00 to 12:00pm

1. Introduction to EU & GB Chemical Regulations
 - How REACH, CLP, and other chemical regulations interact
 - Overview and scope of the CLP Regulation
 - How and when CLP is updated in the EU and GB
 - Harmonized classifications: Annex VI of CLP (EU) and the GB MCL system; where to find classifications and how to apply them
2. Classification Criteria: EU/GB vs. US Approaches
 - Key differences in classification between EU/GB and the US
 - Physical, health, and environmental hazard classifications
 - New hazard classes for endocrine disruptors and persistent chemicals

12:00 to 1:00pm Lunch Provided

Afternoon Session
8:00 to 12:00pm

3. Practical Application of Classification
 - Hands-on exercises to apply classification principles
4. Labelling Requirements (Including 2024 CLP Revision)
 - Label content including product identifiers, selection of precautionary (P) statements
 - Label formatting including pictogram and font size requirements; layout and design considerations
 - Language provisions and multilingual requirements
5. Packaging & Advertising Compliance
 - Packaging requirements under CLP including child-resistant closures and tactile warning devices
 - Advertising requirements and restrictions

Course Materials

SCHC is transitioning course materials for professional development courses at the Annual Meeting from paper to digital format. The digital materials will be similar to those used in SCHC's distance learning courses. Your course fee includes access to these electronic materials, which you can download before the meeting. This year will be a transition year, and you can still request a notebook of the materials for an extra fee: \$45 for half-day courses and \$65 for full-day courses. Notebooks must be ordered when you register. Notebooks will be available for pick-up at the conference. Embracing digital course materials aligns with sustainability goals and fosters an eco-friendly and technologically advanced approach to professional development.

Registration

Admission to the course will be on a first-come basis. Payment must be received by August 22, 2025, to secure your space. Space is limited. Fill out the registration form located on SCHC's website: www.schc.org. SCHC accepts checks, Visa, MasterCard and American Express.
