

LATIN AMERICA “REACH” & THE GHS

Melissa Owen

AMBIENTELEGAL

SEPTEMBER 2025

**Regulated
Products**

**Industrial
Chemicals**

Latin America “REACH”

| Colombia | Chile | Brazil | Peru |
|---|---|--|--|
| Local manufacturers and importer of hazardous industrial substances imported or manufactured in quantities over 100 kg/year must register in the INSQUI and report annually Decree 1630/2021 | Local manufacturer and importer of hazardous substances imported or manufactured in quantities over 1 Ton/year must notify their substances and re-notify every two years Decree 57/2021 | Local manufacturer or importer of non-exempt substances imported or manufactured in quantities over 1 Ton/year must register their substances and update annually Law 15.052/2024 | Local manufacturer or importer of non-exempt substances imported or manufactured in the country must follow steps for registration Legislative Decree 1570/2023 |

THIS IS NOT REACH – It's “REACH”

| IT'S NOT ... | IT IS ... |
|--|---|
| Submission of dossiers | Online data submission |
| Joint Registration or Pre-Registration | Each company responsible for its own obligations Only registration – no pre-registration |
| Data intensive | Data light |
| Toxicological and other studies | For registration stage, information found on SDS (in theory) |
| OR without responsibility | BRAZIL: OR equivalent in responsibility to importer |

The Chemical Control Pathway

REGISTRATION & NATIONAL INVENTORY

PRIORITIZATION OF CHEMICALS OF INTEREST

RISK ASSESSMENTS

RISK MANAGEMENT MEASURES

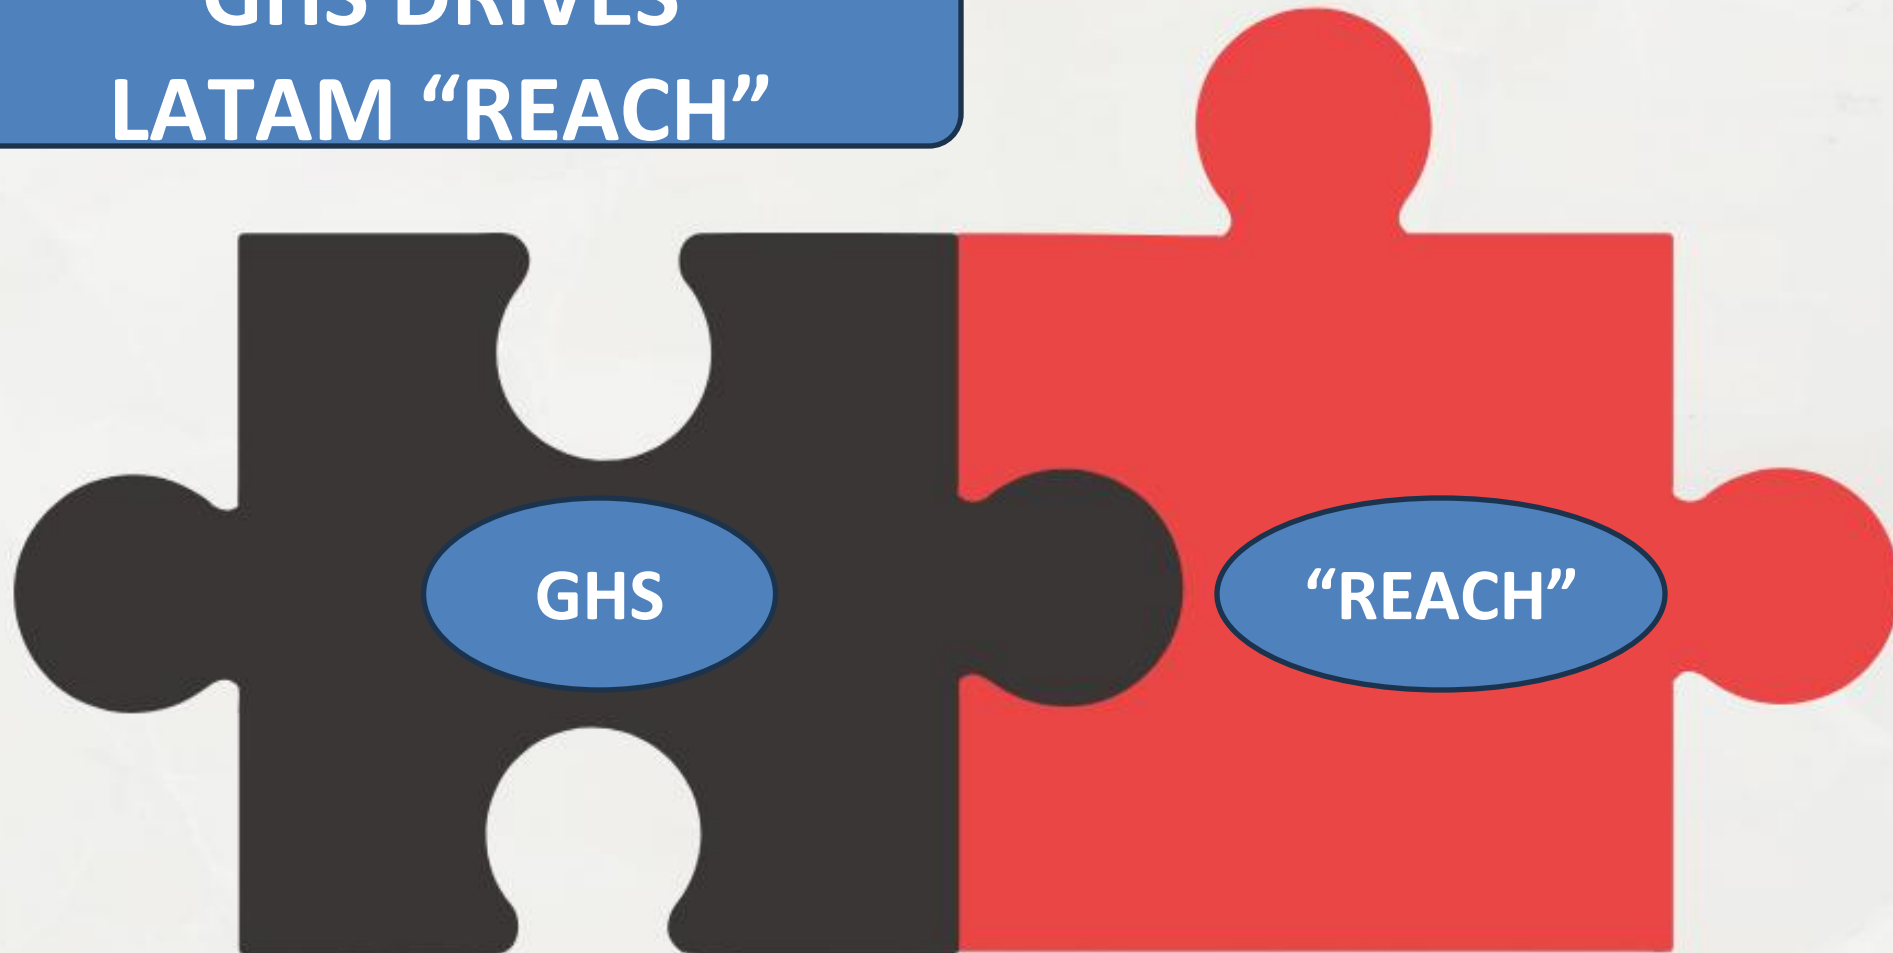

GHS in Latin America

| Mexico & Central America | South America |
|---|---|
| Mexico (Rev 5) Costa Rica (Rev 6) El Salvador (Rev 6) | Argentina (Rev 5) Brazil (Rev 7) Chile (Rev 7) Colombia (Rev 6) Ecuador (Rev 1) Peru (Rev 6) Uruguay (Latest) |

Narrow vs. Broad Scope GHS in Latin America

| Narrow Scope | Broad Scope |
|---------------------|--|
| Mexico (Workplace) | Colombia (Workplace, Agroindustry, Transport, Consumer Products) |
| Brazil (Workplace) | Chile (Workplace, Consumer Products, Other) |
| Uruguay (Workplace) | Ecuador (Undefined) |
| | Peru (Workplace, Agroindustry, Consumer Products) |
| | El Salvador (TBD) |
| | Argentina (Workplace, Agroindustry) |

GHS DRIVES LATAM “REACH”

IT'S ALL NEW IN SOME PLACES

Brand new in some
places

(El Salvador and
Peru)

Still coming online
in others

(Colombia and
Chile)

GHS is NOT Harmonized

No surprises for this crew ...

GHS in the region is not harmonized:

- in the versions adopted
- In the scope of implementation
- among trade bloc partners
- in the language required

Translation is
not
Localization

Recent Challenges

Brazil's new version

GHS for consumer products

Get ready for calls from other departments

The SDS is not enough for LatAm "REACH" registration

You all hold
the keys ...
