King Street Blues

Comfort Food with a Southern Accent

Remember those car trips you took with your family? While it was no fun to be trapped in the back of a station wagon with your little brother – it **was** fun eating at those great roadside restaurants.

Country fried steak and mashed potatoes; sloppy, fall off the bone ribs; juicy burgers; chili, cornbread and sweet tea - This was pure comfort food and made the car ride worthwhile.

King Street Blues is based on those great memories – We use only the freshest ingredients, make EVERYTHING from scratch, and serve it up with a friendly smile that will make you wish dad still had that Buick station wagon with the wood paneling.....

Tortoise and Hare

Bar and Grille

Opened August 2007, Tortoise and Hare is a neighborhood bar created by neighborhood owners. Brian Montgomery and Erik Dahlseid are long time Arlington residents who decided they wanted to have a place they could call their own. Creating an atmosphere where everyone feels welcome and part of something new, Monty and Erik invite you to come in and enjoy great food at a great value, your favorite sporting events, Live music, Trivia, and the feel of a comfortable place that restaurant row in Crystal City has been waiting for. Ask for them, meet them and their wonderful staff, and you will see why people come in and come back to the Tortoise & Hare Bar and Grille.
