

Global View on the Implementation Status of the GHS
Paul W. Brigandi, Consultant

Presenter biography

Paul W. Brigandi is a recognized expert in US and international hazard communication regulations. The majority of Paul's career was with Mobil Oil Corporation (20 years), where he was involved in a wide variety of research assignments. He spent 10 years in the Product Safety group where he led multi-disciplinary teams, on the planning and implementation of global product safety compliance programs, not to mention writing thousands of SDS along the way. While at Mobil Paul was a member of the OECD Expert Group on classification criteria for mixtures and he chaired both the BIAC to the OECD Expert Mixtures Group and the American Chemistry Council Global Harmonization Task Force. More recently, as a consultant to OSHA, Paul has been a member of the US delegation to the UN GHS sub-committee since December 2007. He also provides implementation task support associated with aligning the Hazard Communication Standard with the GHS since December of 2007.

Presentation abstract

The ongoing activities of the GHS Sub-committee of Experts on the GHS will be discussed with a focus on issues which are expected to be concluded in this biennium.
